

THE COMPACT, EASY TO USE OFFICE FOLDER

**WHY FOLD BY HAND?
SIMPLIMATIC SAVES TIME AND MONEY.**

The affordable Simplimatic adjusts easily for all standard and custom folds.

SIMPLIMATIC FEATURES

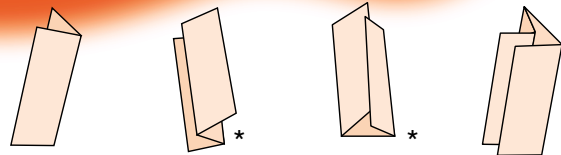

- Perfect for religious organizations, clubs, schools, home offices and convenient locations throughout your business.
- Needs no mechanical setup— just dial in your fold requirements.
- Manual feed of up to three sheets stapled or automatic feed of single sheets with a hopper capacity of up to 150 sheets.
- No fanning of paper; just square up paper, load and run.
- Virtually maintenance free— when rollers need cleaning or replacement, exclusive snap-out cartridge takes only seconds... no tools required.
- No separator to set for each paper thickness.
- Fully enclosed fold rollers prevent clothing such as scarf or necktie getting caught in running fold rollers.
- Fully enclosed fold tables dampen sound.
- Anti-static strip is a must for high-static environments and essential for carbonless paper.

OUR PROMISE

MBM has been a well-known and respected leader in the paper handling industry since 1936. We attribute our success over the years to providing customers with three simple things: a quality product at a good price, superior technical support and the best service in the business.
